

In order to avoid confusion I am setting down a simple path, for us to follow, to get through this Covid minefield as we move forward from one Phase to the next (or one Step to the next) to 'Return to Play'. Revised Thurs., June 24, 2021

The Ontario Government calls them 'Steps' whereas Bowls Canada calls them 'Phases'. I will give the Ontario Government's 'Steps' our focus because it is the one that gives us the go-ahead and the approximate time to do so.
